

Screw Cap Microtubes.

THE TUBE RANGE

Starlab's Screw Cap Microtubes consist of a range of tubes and caps which are suitable for many applications from sample storage in the **gas phase of liquid nitrogen** to freezer, through boiling to autoclave. Non-sterile tubes and caps are supplied separately. Sterile tubes and caps are supplied pre-assembled.

All non-sterile tubes/caps certified RNase, DNase, DNA free. Tested Endotoxin-free.
